CONDITIONS

These demo packages are sold to enable adherence to the RSF Partnership Agreement. As such they may not be re-sold without the prior consent of RSF until the expiration of the final end user warranty of that product sold by you (the partner). Packages may not be reduced, however any additional items ordered by the Partner as demo equipment as part of the same order may be added to any package, and will be accorded the prevailing discount rate for that package. Each Partner is entitled to one package only, however packages may be extended as explained above.
